

154.12-2086 Skills training investment credit -- Department of Revenue certification.

- (1) The Bluegrass State Skills Corporation may, in accordance with KRS 154.12-2084 to 154.12-2089, award a credit against the Kentucky tax imposed by KRS 141.020 or 141.040, and KRS 141.0401, to an approved company. The amount of the skills training investment credit awarded by the Bluegrass State Skills Corporation shall be an amount equal to fifty percent (50%) of the amount of approved costs incurred by the approved company in connection with its program of occupational upgrade training or skills upgrade training, the credit amount not to exceed five hundred dollars (\$500) per employee and, in the aggregate, not to exceed one hundred thousand dollars (\$100,000) for each approved company per biennium. The Bluegrass State Skills Corporation shall only approve one (1) application per biennium for each qualified company.
- (2) The skills training investment credit shall be credited on the tax return of the approved company filed for the fiscal year during which the final authorizing resolution is adopted by the Bluegrass State Skills Corporation in accordance with KRS 154.12-2088(6). The skill training investment credits allowed under KRS 154.12-2084 to 154.12-2089 shall only be used by the approved company that has been awarded the credits in accordance with KRS 154.12-2084 to 154.12-2089. The skills training investment credits provided for in this section shall be applied to both the income tax imposed by KRS 141.020 or 141.040, and the limited liability entity tax imposed by KRS 141.0401, with the ordering of the credits as provided in KRS 141.0205. These credits shall be in addition to all other tax credits granted under the laws of the Commonwealth.
- (3) The skills training investment credits may be carried forward for three (3) successive fiscal years of the approved company if the amount allowable as credits exceeds the income tax liability of the approved company in the tax year during which the final authorizing resolution is adopted by the Bluegrass State Skills Corporation; however, thereafter, if the amount allowable as credits exceeds the income tax liability of the approved company, the excess credits shall not be refundable or carried forward to any other fiscal year of the approved company for which a tax return of the approved company is to be filed.
- (4) A qualified company shall not be entitled to receive the skills training investment credits if the qualified company requires that the employee reimburse the employer or otherwise pay for any costs or expenses incurred in connection with the occupational upgrade training or skills upgrade training.
- (5) To the extent that any expenditures of a qualified company constitute approved costs and are the basis for the skills training investment credits under KRS 154.12-2084 to 154.12-2089, these expenditures shall not be eligible as the basis for grants-in-aid under Bluegrass State Skills Corporation provisions in KRS 154.12-204 to 154.12-208 or the Local Government Economic Development Program under the provisions of KRS 42.4588 to 42.4595.
- (6) Priority consideration for preliminary approval under KRS 154.12-2088 shall be given to qualified companies that the Bluegrass State Skills Corporation determines

to be high performance companies. A minimum of thirty percent (30%) of the total skills training investment credits authorized by the Bluegrass State Skills Corporation during any fiscal year shall be awarded to qualified companies that have been designated as high performance companies by the Bluegrass State Skills Corporation. The Bluegrass State Skills Corporation shall establish guidelines and standards for the designation of high performance companies.

- (7) By October 1 of each year, the Department of Revenue shall certify to the Bluegrass State Skills Corporation the amount of any skills training investment credits taken pursuant to KRS 154.12-2084 to 154.12-2089 on tax returns filed during the fiscal year ending June 30 of that year.
